Dear Analia,
I was so pleased to receive your postcard from Altamira Caves in Spain. What a lovely trip you are having. So many adventures and so many exotic places! I can't wait to hear about the rest of your trip as you travel the world. You were always the adventurous one!
I decided to open Uncle John's locker in the attic and I found these photographs of Mother's jewelry box! They must have been taken shortly after it disappeared, and it looks like it was at the beach where we suspected! I thought I'd send them to you so maybe you can take a side trip to check out the

Victoria - A spectacular walk in the big city! I saw a play and enjoyed a stroll in Central Park West, on to Spain! Having a great time! A

Strike hits Goodyear Tire
NEW (AP) - A strike by the United Rubber Workers of America against the Goodyear Tire & Rubber Company has hit the tire industry. The strike is expected to last several weeks. Goodyear is the largest tire manufacturer in the world. The strike will affect the supply of tires for cars, trucks, and buses. Goodyear has a factory in Akron, Ohio, and another in London, England. The strike in Akron will affect the supply of tires for cars and trucks. The strike in London will affect the supply of tires for buses and trucks. Goodyear has a long history of innovation in the tire industry. The company has developed many new tire designs and materials. Goodyear tires are known for their durability and safety. The strike is a major setback for Goodyear and the tire industry as a whole. It is expected that the strike will last several weeks. Goodyear has asked the National Labor Relations Board to help resolve the dispute. The NLRB has scheduled a hearing for next month. Goodyear and the UAW are both expected to attend the hearing. The hearing will be held in Washington, D.C. Goodyear has offered the UAW a new contract. The UAW has rejected the offer. The UAW wants a 10% raise and better working conditions. Goodyear has offered a 5% raise and better working conditions. The UAW wants more. The strike is expected to last several weeks. Goodyear has asked the NLRB to help resolve the dispute.
